REXXER AND SOPRO BECOME NEW TENANTS AT THE HILLWOOD & PHN PRUSZKÓW WAREHOUSE CENTER

Tuesday, December 12, 2017 - 19:46

In the second half of November, Parzniew Logistics Center 1 sp. z o.o., a company jointly owned by Polski Holding Nieruchomości S.A. (“PHN”) and Parzniew Partners BV, a Hillwood Group (“Hillwood”) company, signed agreements with Rexxer and Sopro for the lease of warehouse and office space at the Hillwood & PHN Pruszków warehouse center. The agreements with the new tenants are long-term contracts for more than 4,000 sq. m of storage space.

According to the agreements, construction chemicals manufacturer Sopro will gain access to more than 2,500 sq. m of space, and tool manufacturer Rexxer will lease more than 1,700 sq. m. Rexxer and Sopro have joined Cosentino and Westwing as long-term tenants in the first warehouse building completed as part of the Hillwood & PHN Pruszków project.

“The ability to acquire new tenants in addition to Cosentino and Westwing within such a short amount of time is a testimony to the attractiveness of the Hillwood & PHN Pruszków warehouse center’s lease offerings. Construction of the first stage has been completed, and the occupancy rate now stands at around 85 percent. As a result, we are planning to begin the construction of the next building as early as next year,” said **Maciej Jankiewicz**, President of the Management Board of Polski Holding Nieruchomości S.A.

Ultimately, the Hillwood & PHN Pruszków project will include 6 buildings with a total area of approx. 100,000 sq. m. situated on 22 hectares of land. The warehouse project has an excellent location – in Parzniew, 3 km from the “Pruszków” junction (A2 motorway) and 20 km from Warsaw’s city center. The project provides excellent access to the country’s main transport routes: the A2

motorway connecting Warsaw with Poznań and Berlin as well as Warsaw's ring road – the S8/S2. A railway station on the Warsaw–Grodzisk line is located close by, and Warsaw Chopin Airport is just 15 km away.
